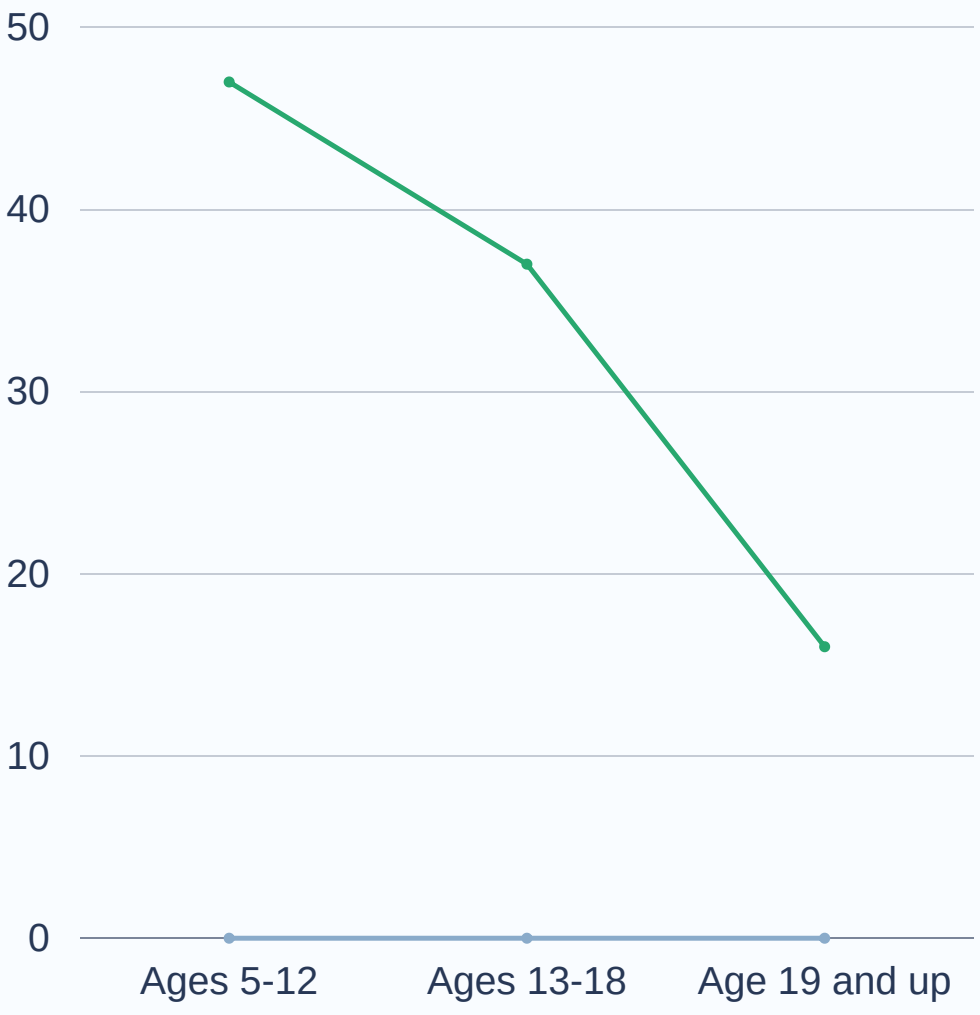
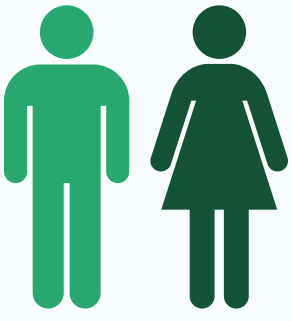
Let the little children come to me,
and do not hinder them,
for the Kingdom of God
belongs to such as these.

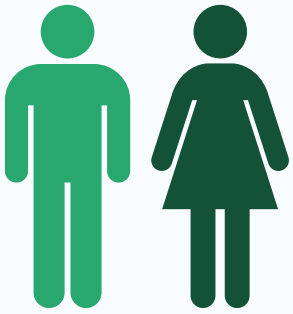
JESUS (MARK 10:14)

AT WHAT AGE DO PEOPLE ACCEPT CHRIST?





If people do not accept Christ before they reach their teen years, the likelihood of them doing so is greatly reduced.



It is the issue of understanding the incredible importance of developing strong, spiritual foundations early and reinforcing those foundations as the child ages.

George Barna

You search the Scriptures because you think they give you eternal life. But the Scriptures point to me!

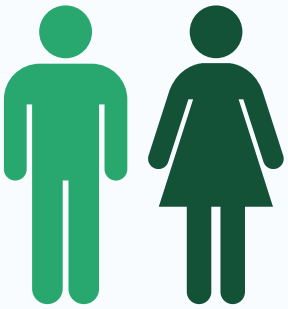
COMMON CONFIDENCE BUSTERS

- I'm not a theologian!
- I don't know where to find it in my Bible!
- They're too young to understand!
- What if they have questions?
- What if I can't follow up?
- What if their parents aren't believers?
- What if their parents ARE believers?
- How do I know the child is ready?
- Are they just trying to please me?



REMEMBER: I am not the key to a child accepting Jesus as his or her personal Saviour!

Children need to understand the Gospel message and the importance of making their own personal decision to accept Jesus as their Saviour.
