

# CREATE A GOOD-NEWS ENVIRONMENT

## SIN-AWARE

**ACTION TIP:** Teach your children to make confession part of their prayers.

**ASK YOURSELF:** Do I model repentance to the children in my life when I use a mean-spirited tone or say unloving words?

## GRACE-AWARE

**ACTION TIP:** Tell your kids something you see God doing in them as you give God credit for His work.

**ASK YOURSELF:** When is the last time my heart has been moved by the Gospel as I reflect on the grace God has towards me?

## FOCUS ON THE HEART

**ACTION TIP:** Memorize, discuss and pray I John 4:19 with your children (We love because He first loved us - NIV).

**ASK YOURSELF:** Do I take time to look for what is motivating the children in my life? In their disobedience and obedience?

## HELP KIDS FIND JESUS DELIGHTFUL

**ACTION TIP:** Have kids complete this sentence after your lesson. "Jesus is more amazing than anything else because..."

**ASK YOURSELF:** How amazing is Jesus to me?
