

**Turtle Mountain Bible Camp
Ministries Director Job Posting**

One Hope Canada is currently seeking a servant leader to join our team as a Ministries Director at Turtle Mountain Bible Camp in Southwest Manitoba.

One Hope Canada (formerly Canadian Sunday School Mission/CSSM Ministries) exists to present the Gospel particularly to those with the least opportunity to hear of Christ, especially to children and youth, and we disciple believers for living and serving through His church. Turtle Mountain Bible Camp was established in 1947 and ministers to approximately 600 children and youth each summer. Check out the camp at – TMBC.ca.

The Ministries Director is entrusted with the role of fulfilling the purpose of One Hope Canada within their camp and is responsible for building relationships while discipling campers and summer volunteers. The Ministries Director's primary focus will be to work alongside a summer programmer to create and facilitate a gospel centred camp program for the summer camper sessions while also providing care and support for volunteers.

The Ministries Director position is for someone who is passionate about sharing the gospel and discipling others, who enjoys being outdoors, and is willing to serve wherever there is a need. The Ministries Director position is both a very public role while also requiring administration and focus on development. As a part of the One Hope Canada team, the Ministries Director will have access to the Ministry Resource Centre, all resources provided by One Hope Canada, and a team across the country consisting of over 200 other year-round missionaries. Check out our mission – www.onehopecanada.ca

The Ministries Director is a term position from April 2023-August 2023. At the end of the term there will be an evaluation of the role and individual to determine if it will conclude or be renewed as a full-time position with Turtle Mountain Bible Camp.
