

Program Director - Job Posting

One Hope Canada is currently seeking a servant leader to join our team as a Program Director at Hope Bay Bible Camp on Pender Island, BC.

One Hope Canada (formerly Canadian Sunday School Mission/CSSM Ministries) exists to present the Gospel particularly to those with the least opportunity to hear of Christ, especially to children and youth, and we disciple believers for living and serving through His church. Hope Bay Bible Camp was established in 1962 and ministers to approximately 200 children and youth each year.

The Program Director is entrusted with fulfilling the purpose of One Hope Canada within Hope Bay Bible Camp, and is responsible for all aspects of programming at the camp. Duties include preparing and executing a creative and fun summer camp program, hiring summer missionaries, and working with guest groups during the year.

The Program Director fulfills these responsibilities at the camp as part of a team that consists of the Ministry Director and Facility Manager.

The Program Director works with and reports to the Ministry Director and the BC Field Director. As a part of the One Hope Canada team, you will have access to the Ministry Resource Centre, all resources provided by One Hope Canada, and a team across the country consisting of over 240 other year round missionaries.

The ideal candidate is organized, fun, and creative with great communication skills. This is an exciting ministry role in which you will be stretched and encouraged as you experience God and His work.
