Now Hiring: Manitoba Field Director

Location: Province of Manitoba & (Province of Ontario summer of 2028)
Type: Full-time Missionary
Start Date: To be determined with successful candidate
Posting Open Until Filled

One Hope Canada is seeking a Field Director to encourage, equip, and direct our Bible Camps and Community Ministries in Manitoba, and starting in the summer of 2028 in Ontario.

This is no ordinary leadership role—it's a high-calling adventure in servant leadership. If you are passionate about sharing the Gospel and you thrive on investing in people, problem-solving, and growing ministries that reach children and youth, you might be the person we're looking for.

As **Field Director for Manitoba/Ontario** you will:

- **Encourage** ministry leaders and teams across the province, helping them grow spiritually and practically.
- **Equip** camp and community ministries by offering hands-on support, guidance, and resources.
- **Direct** the mission of One Hope Canada in Manitoba/Ontario through visionary oversight, leadership development, and operational accountability.

This role is deeply relational, involving both virtual collaboration and on-the-ground leadership with in-person teams. You'll be part of a national team of Field Directors and leaders, but also spend time on the road, visiting camps, building relationships, and encouraging front-line ministry teams. Extensive travel across Manitoba and Ontario is required.

The successful candidate will be required to live in Manitoba and be available to travel throughout Ontario starting the summer of 2028.

You are:

- A **servant leader** with a passion for Christ and for making Him known.
- A **creative problem solver** who sees challenges as opportunities for growth.
- **Self-motivated** and comfortable working independently, yet you also thrive in team settings—both virtually and face-to-face.
- A **gifted communicator** with a pastoral heart, relational strengths, and organizational insight.

You bring:

- A **solid understanding of Christian camp ministry**, with 8–10 years of experience in a camp or similar Gospel-centered ministry.
- **Experience in non-profit/charitable ministries**, including working with boards, volunteers, and diverse ministry teams.
- A **heart for disciple-making**, **strategic thinking**, and a **desire to serve** others with humility and excellence.

To apply or learn more, visit onehopecanada.ca or send your resume and cover letter to Terry Kerr (terryk@onehopecanada.ca). Candidate selection will start December 07, 2026.
